

1291 The Swiss Investment Foundation Real Estate Switzerland

J. Safra Sarasin

Investor Reporting - May 2024

The Investment Foundation 1291 invests in real estate throughout Switzerland. In addition to residential properties, it also acquires properties with other uses such as office, retail, commercial and logistics.

The main focus is on an appropriate distribution by region, location and type of use, with the emphasis on housing. The selection of locations takes particular account of real estate market cycles, economic strength, economic forecasts and the political, legal and fiscal environment. The selection of locations takes particular account of real estate market cycles, economic strength, economic forecasts and the political, legal and fiscal environment.

Investments in real estate are primarily made according to the following criteria:

- Attractive locations with value enhancement potential
- Sustainable earnings security through long-term leases
- Quality of construction and building fabric in line with usage
- Environmental awareness and sustainability potential.
